Licking County Land Owner Protection Group Mission Statement

Our goal is to form a group of citizens that is interested in protecting property rights, our county's environment, and the financial well being of rural and urban residents of Licking County during the development of oil and gas fields in Ohio by ensuring local and state officials, along with major corporations, hear a unified position that our interests and theirs can be met.

PETITION PURPOSE: STOP THE INSTALLATION OF THE ENTERPRISE ATEX EXPRESS PIPELINE THROUGH LICKING COUNTY
